Foreword

In 1916 the Baxter Springs High School yearbook came into existence. Consisting of only a few pages, it had the pictures of the seven seniors, cartoons drawn by Charles Plumb, and advertisements. The entire Senior Class worked on it with Claude Parham as Editor. The yearbook was printed in the Parham home on his father's printing press and was called THE LIMIT.

There wasn't another yearbook until 1921 when the new high school was completed and the move from the old Lincoln School had been made. This was the first JAYHAWKER, JR.

JAYHAWKER, JR. was used until 1925 when the SENIOR REVIEW came into being. During the period of 1926 to 1930 JAYHAWKER, JR. was again the title of the book. Then in the years 1930 to 1933 there was no yearbook due to the Depression.

In 1938 Baxter Springs High School called their yearbook CHIEFTAIN as a tribute to the Indians in this area and in 1940 THE CARDINAL AND WHITE was used.

JAYHAWKER, JR. has been used since 1941 and has become the permanent name of the Baxter Springs High School yearbook.

Superintendent John R. Hughes

From playing baseball with the grade school children, to hiring new teachers, to the duties of chief administrator of the Baxter Springs Public School System, Mr. Hughes has gained the respect and admiration of the students, faculty, and citizens of Baxter Springs.

Mr. Hughes is the sponsor of the Student Council, the Senior Class, and the Future Teachers of America.

High School Principal

Eugene F. Burke

From collecting lunch money, to substituting for a teacher, to announcing an athletic event, Mr. Burke continues to serve the faculty and students as the Principal of the Baxter Springs High School. The students, faculty, and the individuals of the community all have high regards for Mr. Burke.

Mr. Burke is the sponsor of the Senior Class, the Future Teachers of America, and the National Honor Society.

Junior High Principal

Velma Thomas

Miss Thomas has accepted the responsibility intrusted to her by the administration. She serves the Junior High Faculty and the students loyally whether teaching Constitution, planning the Junior-Senior Banquet, or scheduling classes and events for the Junior High.

Miss Thomas is the sponsor of the Junior Class.

Helen Childress, President

Paul Stoskopf, Vice President

Dedication - John R. Hughes

The 1966 Jayhawker, Jr., is being dedicated to a man who through the years, by good example and leadership, has shown us the right way. In all his years in the Baxter Springs High School he has had an active interest in the students and, even with a busy schedule, has always found time to lend a hand when needed. Anytime students make a request of him he does everything he possibly can to fulfill that request. He always has been--he still is--right there when we need him.

This man's understanding and good will has made such an impression on all of us and of all we do, that we, the Senior Class of 1966, consider it a privilege to dedicate the Jayhawker, Jr., for 1966 to you,

MR. JOHN R. HUGHES

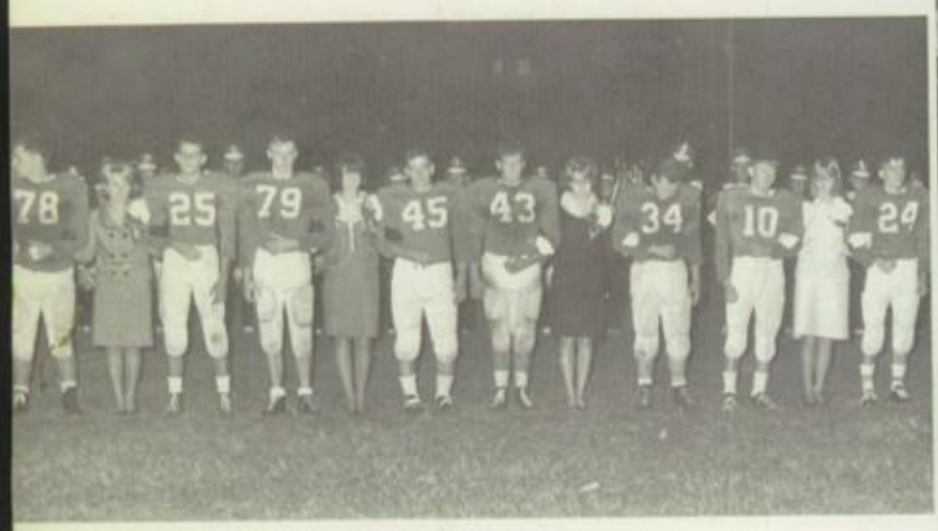
Homecoming
1965 - 1966



Key Club

The Key Club is a very active organization which is affiliated with the Kiwanis Club International. The Key Club started here on May 19, 1948, under the sponsorship of our local Kiwanis Club.

The Key Club is a community service club which does much to help the public. The thirty-one members this year had several projects starting with the Football Field Clean-up, Cookies for the United Fund, helping with the Red Cross Blood Bank, painting crosswalks, having the Pancake Day at the Lions Club, and helping the Kiwanis Club in the Whiz Bang. The organization also has a State Convention which is held annually in some major city in Kansas.

This year's faculty sponsor was Jon Hershberger while Larry Sweet and Mike Sexton were the Kiwanis sponsors.

Kayettes

Kayettes is a state organization affiliated with the Kansas State High School Activities Association. It is composed of ninety-five girls who actively support school, community, and world service projects each year. Their projects include the Thanksgiving Basket, Polio Drive, CARE, Runners for Japan, and coffee cups for the teachers. The Kayettes also sponsor the Ideal Boy and Girl Dance, their Heart Sister Project, and a Kayette Retreat.

The Kayettes are sponsored by Miss Smith and Mrs. Garrett.

Future Homemakers of America

The FHA is composed of ninety future homemakers of America. Each year they send delegates to the District Meeting and this year they participated by taking an interpretive dance. They also send delegates to the District Election Meeting, and the State Meeting at Topeka. Each year the "FHA'ers" also present the Thanksgiving program, the Fashion Show, and the Sweetheart Dance.

Mrs. Binns was their sponsor.

Diversified Education

Diversified Education is a program that provides vocational training during student's junior and senior years. This program permits students to begin learning a trade and to be paid while still in high school. One of the D.E. highlights of the year is the Employee-Employer Banquet.

Mr. Harold Ramer is the sponsor.

National Thespian Society

The National Thespian Society is an organization to promote interest in the fields of speech and dramatics. The Society has presented plays and assisted with production of others during the year. Pop bottle drives are their money-making projects which help make the Society's Mardi Gras possible.

ORGANIZATIONS

Pep Club

Promoting school spirit and spurring the team on to victory are the main objectives of the Pep Club.

The Pep Club had the full responsibility of Homecoming where they sold mums. Other activities through the year were the Freshmen Initiation, Snake Dance and Slave Day.

Student Council

The Student Council represents all the students in the Senior High School. Each class chooses three people to represent their class and the student body elects the President.

The Student Council encourages social functions for the students in the school, school spirit for the different organizations, and promote public relations between the school and the business people downtown.

Library Assistants

Library Assistants of Baxter Springs High School are members of the Kansas Library Assistants of Secondary Schools and receive training in the various basic library procedures, use of reference material and serve as student librarians in the Junior High School Library. During National Library Week they conduct storytelling hours for the elementary schools.

Office Assistants

Among the many duties of office assistants are collecting absentee slips, operating duplicating machines, typing letters and stencils, sorting mail, and writing purchase orders, receipts and other office forms. The practical experience gained here proves useful to those girls who work in offices after leaving high school.

Letter Club

To become a Letter Club member a boy must letter in football, basketball, track, or golf. The sponsor was Carl Wilson.

National Honor Society

The National Honor Society is sponsored by the National Association of Secondary School Principals. It has chapters in high schools in every section of the United States.

A pupil must rank in the upper third of his class to be eligible for membership. He is further judged on the basis of leadership, character, and service. Only fifteen per cent of the Senior Class, and seven per cent of the Junior Class may be elected to membership; therefore, it is a distinct honor to be elected.

Good Citizenship Award

Each year the Daughters of the American Revolution choose one senior girl who has displayed outstanding character, scholastic ability, leadership and patriotism. This year's recipient is Mary Sue Roller. Mary Sue has been an excellent student throughout her high school years. She has been active in various school activities, was president of the National Honor Society, and participated in band, Thespians, and Kayettes.

SUNFLOWER GIRLS STATE AND BOYS STATE
"a project in good citizenship"

Girls State and Boys State are a practical application of Americanism and good citizenship. Girls State and Boys State are schools of government from which the highest type of person will benefit for themselves, their school, and their community.

Girls State and Boys State are two of the most vital projects sponsored by the American Legion and the American Legion Auxillary. The contributing organizations for Girls State are the Beta Omega and Zeta Rho Chapters of the Epsilon Sigma Alpha Sorority. The contributing organizations for Boys State are the Lions Club, Kiwanis Club, and the American Legion.

Music Department

Band is an organization consisting of sixty-three musicians and directed by Mr. Robert L. Higgins. This group of young people is one of the hardest working organizations in the school. They march in parades at Baxter Springs, Tulsa, Joplin, Miami, and at our football games during half-time. This year they performed at four home football games doing many fancy drills, which displayed their talents as musicians and also as performers.

Boys' Glee Club is composed of a large number of high school boys who are under the direction of Mr. Robert L. Higgins. These boys work very hard during the year so that they may perform at the League Music Festival, State Music Festival, Pop Concert, and the Spring Concert.

Girls' Glee Club composed of one hundred eight freshman, sophomore, junior, and senior girls, who practice sixth hour every day under the direction of Mrs. Betty Higgins. This hard practicing that the girls do has rewarded them time after time by earning them number one ratings at various music contests.

Mixed Chorus is one of the newest musical organizations to be added to our school. This will be the group's third year of performance with Mrs. Betty Higgins as their director. They perform at the Pop Concert, Christmas Program, Spring Concert, and at many music contests, which keeps the group busy throughout the year.

Each year our high school has various instrumental and vocal ensembles, which are under the direction of Mr. & Mrs. Robert L. Higgins. These groups are composed of very talented young people, who enjoy performing at music contests, with different school ensembles, and at our concerts.

LIONS

BAXTER
LIONS

Football

SEPTEMBER 17 The Baxter Springs Lions started out the 1965 season with much spirit and fight. The season opened with the Lions rushing for nearly 200 yards in the big rivalry between Galena and Baxter. The Lions looked like a cohesive unit with good team work from all. Everyone was slow the first quarter, but in the last eight minutes of the second a 26 yard touchdown by Glades of Galena put the spark in the Lions. The Bulldogs weren't to see the goal line again. First the Lions struck with a nine yard burst by Green and the conversion was made by R. Hartley. Then it was Amos from 85 yards out and the one by Hartley. Again in the third quarter Green kicked from the nine, but the kick failed. Final Score, Baxter 20 - Galena 7.

SEPTEMBER 24 This game was the one the Lions really needed and they knew it. The scoring was all Frontenac's, with all-state Bob Watt scoring two and Maus falling on a block punt for a touchdown. Frontenac was to go on to win the league when this try by the Lions was blocked. Final Score, Frontenac 19 - Baxter 0.

OCTOBER 1 After the all out effort against Frontenac, the Lions were downcast and their spirit didn't lift in time for the game with Erie. Erie struck for twenty points with touchdowns going to Treadway, 2, and Neely. The only scoring for Baxter was a seventy yard jaunt by Amos with the kick for one point going astray. Final Score, Erie 20 - Baxter 6.

OCTOBER 8 Baxter suffered its first loss to College High while not scoring a point. The Lions out rushed and out first-downed the Comets, but the passing attack was too much for the Lions secondary. Final Score, College High 20 - Baxter O.

OCTOBER 15 After three straight losses the Lions were to meet the Southeast Lancers for the annual Homecoming game. With the Lions up for this one, they piled up nearly four hundred total yards and out first-downed the Lancers 17 - 6. Danny Storm, senior halfback, turned in one of his best offensive outputs with two touchdowns of sixty-one and thirty-four yards. Amos also turned in two touchdowns with C. Brock hitting for one, and R. Hartley parting the bars for three conversions. Groves scored the two touchdowns for Southeast on an eleven yard run and a ninety-two yard pass play. Final Score, Baxter 33 - Southeast 13.

OCTOBER 22 and 29 After the Homecoming victory Baxter turned in two really poor games. The Lions were trounced by Arma 31 - 7 and by Riverton 40 - 6. The Lions offense couldn't get moving and the defense showed too many holes.

NOVEMBER 12 In the last game of the year the Lions gave their all but Girard Trojans were too fast and too quick. Baxter scored on the first and last plays of the game. Brock took the opening kick off eighty-two yards for a touchdown and David Smith, junior quarterback, ran thirty yards scoring after the final gun. Final Score, Girard 19 - Baxter 12.

Basketball

The Baxter Lions are having one of their better seasons this year although they looked as though they might not have when, in the first game, they lost to College High 68 to 57. But in the second game they showed more promise by beating Arma 55 to 44. The next two games went rather well with the Lions beating Frontenac 64 to 58 and Galena 63 to 46. When we played our fifth game and lost to Girard 60 to 43, everyone thought the lucky streak had ended, but the tough Lions came back to win the next eight games. Three of these games were in the CNC League Tournament held at Riverton in which the Lions placed first. This is the only time since Baxter entered the CNC League that the Lions have placed first. The league record at the time of the tournament was eight won and two lost. The eleventh game was lost to Frontenac 58 to 57, but that did not stop the Lions. They won the next three to hold an 11 to 3 record. These last three games were won 68 to 55, 72 to 52, and 70 to 52. All were very good games.

The top scorers for the Baxter Lions at press time, February 18, are: Eldon Haggard with a total of 251 points in seventeen games for an average of 14.7 points per game. Lynn Hartley is second with a total of 229 points for an average of 13.5, then Rodney Pollard with a total of 159 for a 9.4 average, Gregg Robertson with a 134 point total for an 8 point average, and Ross Hartley with a total of 119 for an average of 7 points per game.

Baxter Springs Junior High School

The Baxter Springs Junior High School is located on the lower floor of the main high school building. The senior and junior high were separated in the Fall of 1963, with Miss Velma Thomas taking the office of Junior High Principal.

The Junior High School is a member of the Mo-Kan League, and their many activities are centered around this league. The Junior Lions are the defending undefeated track champions in both divisions and are the 1966 seventh and eighth grade basketball champions. Each year our Junior High also takes part in the Mo-Kan Music Festival and the league Science Fair. They also have some good spellers who take part in the county and state spelling contests.

Every year in May, the sixth grade classes are invited to visit the classrooms and facilities for the sixth grade orientation. Since the change is such a big one, the sixth graders are told of the hours, rules, library facilities, and how to change to a different classroom each hour.

The Junior High offers a wide range of courses and a very capable faculty. Faculty members are: Sallie Baldwin, geography; DeAnne Binns, home economics; Norma Blankenship, Library; Max Byrd, special education; Jon Hershberger, mathematics; Betty Higgins, music and English; Bob Higgins, band; Jeanette Jackson, English; Lynn McFadden, coach, mathematics, and science; Howard Meadows, science; Max Newell, eighth grade shop; Shirley Reynolds, physical education; Pearl Smith, history and geography; Larry Thomas, coach; Patricia Van Hooser, English; and Carl Wilson, physical education and mathematics.

Junior High Good Citizenship

Each year the American Legion chooses two Junior High students whom they feel exhibit leadership, service, dependability and patriotism. This year the students were Pam Gottes and Craig Storm. Sandee Johnson and Russ Sills were chosen alternates.

Council members are: BOTTOM ROW: Bill Arnall, Sandee Johnson, Bill Jackson. SECOND ROW: Ronald Clarkson, Dale O'Neal. THIRD ROW: Kenneth McWethy, Mike Waterbury.

Junior High Student Council

The Junior High Student Council was first organized this school year. Each representative was chosen from his homeroom. The purpose of the Council is to represent all of the students and to promote school functions. The Council also encouraged good sportsmanship and school spirit.

I hope

Linda,

P.S. Dad thinks you would let me sign your annual.

I really have enjoyed running around with you, even though we did get in a few arguments.

Remember the time we (me & Rocky) and you went riding with David Wilson. That was the first time I really enjoy myself. Never will forget the time I was with Alice and you came from across the street from the skating rink, you opened the door & Winton was leaning against and he fell and I tell you I laughed so hard I cried. Winton was really drunk wasn't he. The rest of that Saturday night we really had a ball of fun. Even though I was mad at Alice she kept me warm in that back seat.

Remember the time Nancy & I snubbed you, well of course you do. We were a little mad at you and disgusted at Gordie & I finally walked out. I have really enjoyed this Summer you especially when Rocky & I broke up. Hope to see you next year. May you have the best of luck in the future years to come, especially with the Boys!!

Love Ya,
Craig Rodgers

Sure glad to see your here at the hospital. I bet's getting lonesome in my room. I haven't signed many annuals for you see I had my annual party down here Monday when the Doctor's operated. (HA!) I want to wish you all the luck in the near future. See ya next year.
Just think Big Seniors. It doesn't

Linda
We sweetie have the best year in school. I hope your keep it up. I just love you and I must do what you do. I had such high grades this year. I'm so happy. Be happy. Love you
